Spring 2010

Fellow Golfers,

A new golf season is upon us, and we'd like to thank you for your support in 2009. We look forward to serving you again in 2010.

With a new season come new opportunities to save money on a NorthBrook golf membership. We have introductory rates for Singles, Husbands and Wives, Families, Juniors and Seniors as we've had in the past. We're also keeping the popular Buddy Plan, where you can join with a friend and get our best introductory rate.

We're also continuing to offer an Early Season Unlimited Golf Membership that is designed to introduce you to all the benefits of membership at a very affordable price.

We've been rated by Golf Digest as a 4 ½ Star facility, which includes course conditions, service, and value. You can expect the same quality and value in the coming season as you've experienced in the past.

Please take a few minutes to look over the enclosed materials. We think you'll agree that NorthBrook continues to offer the best value in golf in this area. And remember to check our website for new offers and promotions that we'll be introducing throughout the season.

Thank you and see you on the course!

Save Money With A Membership At NorthBrook

This time of year we often get questions about memberships at NorthBrook. The conversation usually starts with “I don’t know if I’ll golf enough to *pay* for my membership”. It’s a legitimate question for a first time member to ask, so let’s talk about it.

NorthBrook is open from early April to the first week in November. That’s about 30 weeks. If you take the normal 18 hole rate (weekday and weekend), and use the single introductory rate of \$750, that works out to less than 1 round per week from opening day to course close in the fall to *pay* for your membership. Husbands & wives pay off their membership more quickly because the membership doesn’t cost as much per person. If you play all weekends, it takes even less rounds.

And once you’re a member, you’ll probably play more golf. There’s something about not having to dig out your checkbook every time you play that makes it more fun.

See, that was easy. But that’s not all.....

Along with your unlimited golf for the whole year, you get a member’s discount on pro shop merchandise. Clothing, balls, bags, gloves, even clubs. It could be worth hundreds of dollars by the end of the season. And our prices are darn good to start with!

Your WSGA handicap service is included – another \$25 saved.

Did you know that members are able to buy a cart pass at a discount? That’s another \$100 in savings for being a member.

NorthBrook is a soft spike facility (we have great greens and want to keep them that way). To your advantage, we pay for our member’s soft spikes. When they’re worn out, drop them in the bag room and they’ll be replaced – Free. (no rule against tipping the bag room staff that replaced them however)

If you have a child or grandchild we have a dynamic interactive Junior Program for them - and another discount for members that saves you \$30 per junior.

Members enjoy preferred tee times on Saturday’s and Sunday’s along with the ability to book any tee time ahead of the general public.

Like some friendly competition? NorthBrook holds events throughout the season for members – Jamborees, Club Championships both stroke and match play, President’s Cup, First Ladies Cup, Senior Championship, Couples Events, Men’s and Ladies Day events throughout the summer, Saturday Skins, and more.

“I don’t want to play the same course all the time”. You don’t need to. NorthBrook has reciprocal agreements with six other courses from Door County to east central Wisconsin where you can play for a nominal fee - usually just a cart fee.

As you can see, there’s more to membership than just “paying off your membership”. The value is worth more than just how many rounds you play. If you value friendships, social interaction, and being a part of a golf community, NorthBrook clearly has a lot to offer.

See you on the course!

Golf and More!

NorthBrook is Northeastern Wisconsin's only 4 1/2 star (Golf Digest) course that offers you reciprocal agreements with six other regional courses. Come join us in Luxemburg for wonderful golf---and more---in 2010.

Tee It Up!

Your membership includes unlimited golf at Northbrook, a computerized USGA Handicap and "members only" tee time blocks on Saturday and Sunday mornings. You also will enjoy seven-day advance tee time reservations, discounts in the well-stocked pro shop, discounted cart passes, access to great practice facilities and complimentary spikes for your shoes. Store your clubs at NorthBrook and our staff will have them ready to go when you arrive for your round.

Pick It Clean!

Northbrook is one of the best-groomed courses in Northeastern Wisconsin. From the "looks easy" par 4 first hole with subtly sloped green through the challenging, uphill 18th that lists to starboard, you'll enjoy every round. Our member-only events include easy-going Sunday jamborees and highly competitive club championships and weekly skill competitions. You also have access to exclusive Northeastern Wisconsin Golf Association events open only to NEWGA members as well as Wisconsin Public Links Association competitions.

Chip It Close!

Membership at Northbrook also brings you fee-free golf at six regional courses including Mascoutin, Idlewild, Cherry Hills, Hunters Glen, Westridge and Glacier Wood. These reciprocal agreements do require, in most cases, payment of only a cart fee. Your membership also offers periodic discounts for friends and family in your golf group.

Knock It In!

Also available are lessons from PGA Professional Ray Perry, men's and ladies' leagues and discounted rates for member's children in the well-accepted junior golf program.

Don't Forget the 19th Hole!

Northbrook is as famous for its fine dining as its challenging golf. The golf bar offers "flame broiled" burgers, honest-to-goodness hot dogs, bratwurst and other grill greats. There are draft beers to suit most every taste. We also offer more elaborate menus, including weekly specials, Friday fish fries, and Seafood Buffet in our second level dining room and large cocktail lounge.

Welcome to Your Club

If you would like more information, feel free to call us in the Pro Shop at 920-845-2383 or the office at 920-845-2306. We're also on the internet at www.northbrookcc.com. Welcome aboard!
